Questa melodia storica francese è stata recuperata da Julien Tiersot e pubblicata nella raccolta Chansons Populaires dans les Alpes Françaises (Savoie et Dauphiné) e racconta i dettagli di un'avvenimento poco conosciuto della storia Savoiarda.

Nelle strofe si rievoca l'avventura di "Péronelle" travestita da paggio e il passaggio dell'armata francese attraverso la Douphiné durante la guerra del 1536 tra Francesco 1° e il Ducato di Savoia.
